

X microwave

Modular By Design

X-MWprobe

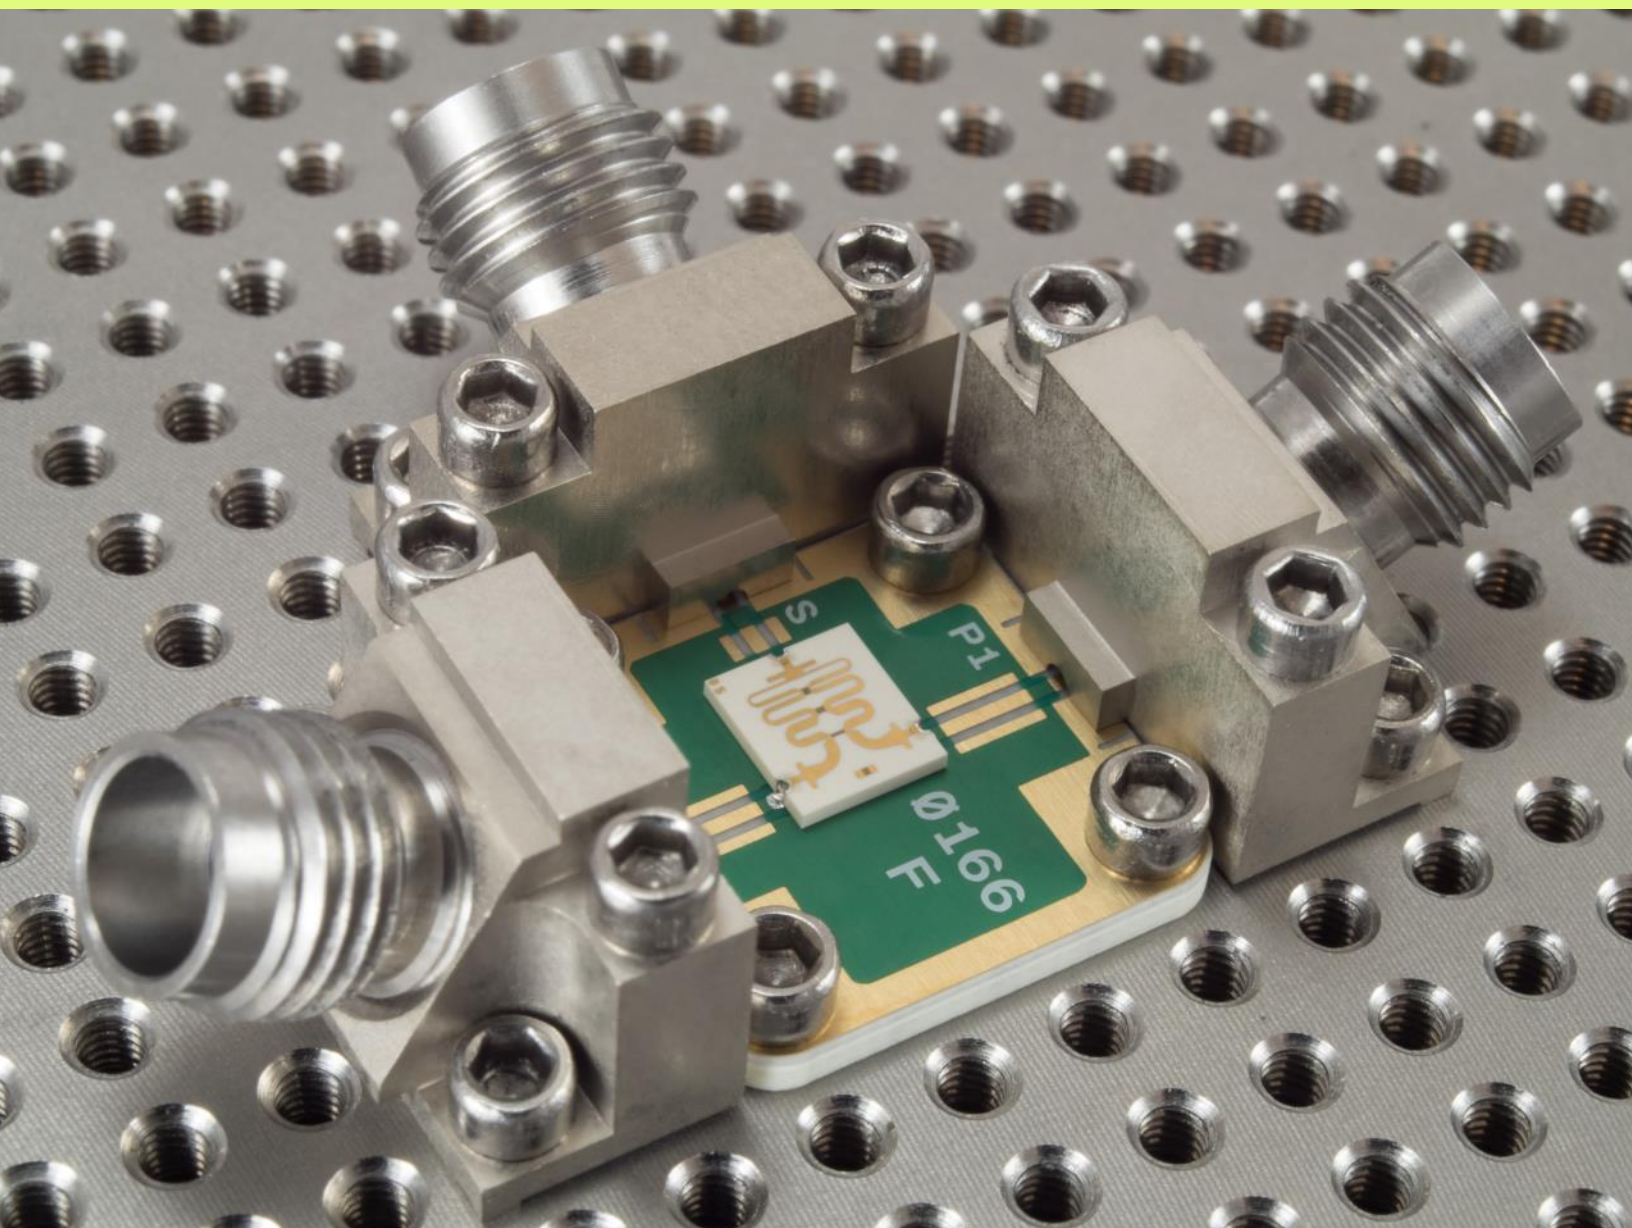

67 GHz Solderless Probing

Features:

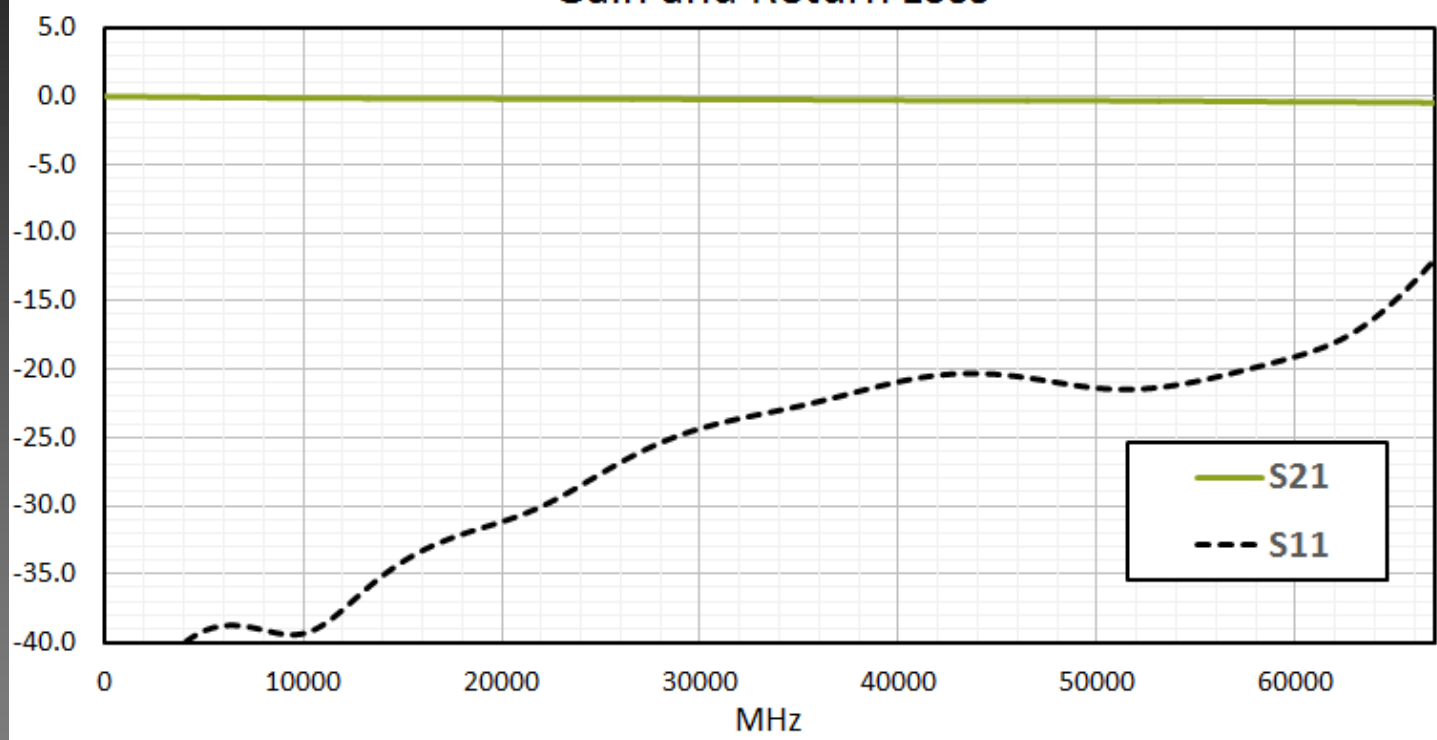

- Solderless Probing
- 1.85mm Connector
- Mode Free to 67 GHz
- Easy Installation
- S-Parameter for De-Embedding
- Compatible Prototype Station

Applications:

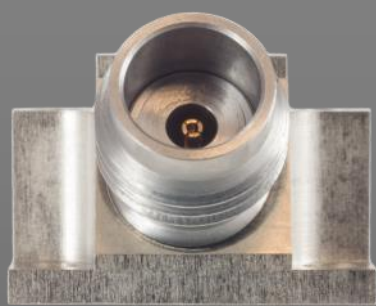

- Probe X-MWblock Components
- 100's of Compatible X-MWblocks
- Use with the X-MWprotostation
- Prototype Alignment
- Production Alignment
- Component Qualification Testing

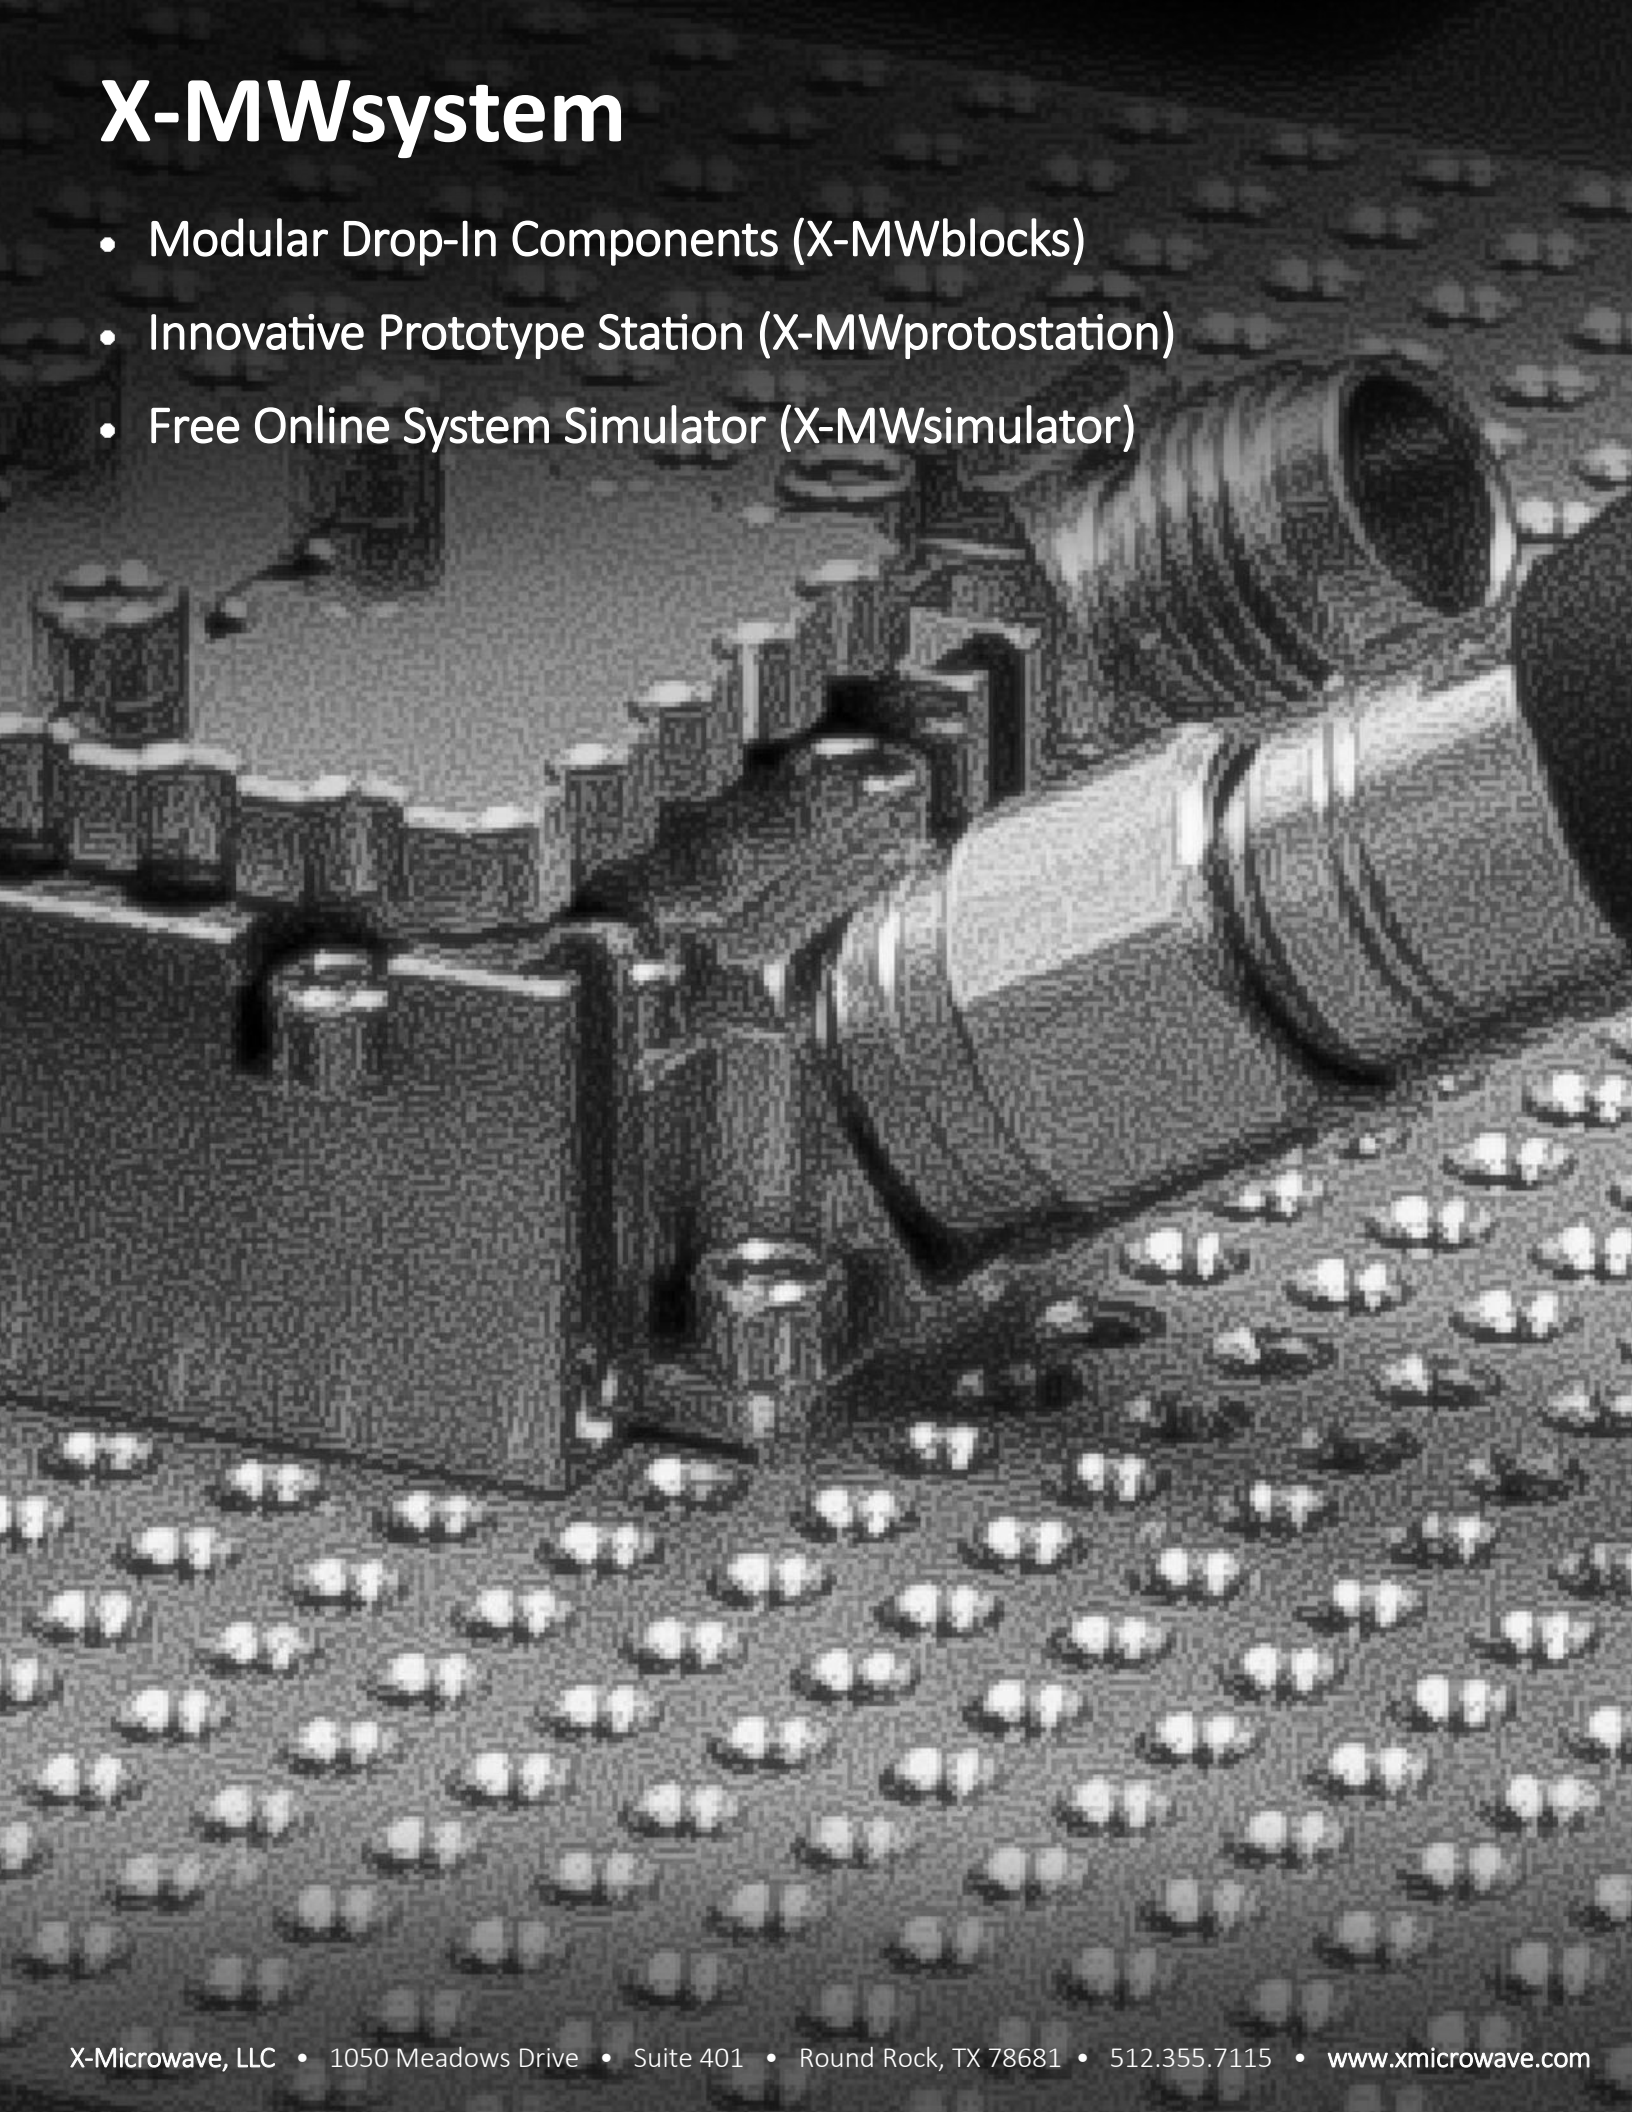

Gain and Return Loss

X-MW Part Number	Description	Frequency Range	Material	Plating	Grid Size
XM-PB1-185F	X-MWprobe	67 GHz	SS/Brass	Passivated/E-Nickel	0204

X-MWsystem

- Modular Drop-In Components (X-MWblocks)
- Innovative Prototype Station (X-MWprotostation)
- Free Online System Simulator (X-MWsimulator)
